### **TOOLS REQUIRED**

None

#### **IMPORTANT**

Your Front Storage Box Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

### **INSTALLATION INSTRUCTIONS**

#### **VEHICLE PREPARATION**

#### **GENERAL**

- 1. Shift vehicle transmission into PARK.
- 2. Turn key to OFF position and remove from vehicle.
- 3. Install Rear Storage Box Kit first, if applicable.

#### **ACCESSORY INSTALLATION**

 Place pre-assembled storage box in front-most part of cargo box. Make sure Lock & Ride® storage box holes are aligned with mounting holes in cargo box.

2. Place four Lock & Ride® assemblies in four aligned mounting holes.

3. Lock & Ride® assemblies may need adjustment. Tighten or loosen bottom nut depending on fitment.

4. Make sure Lock & Ride® assemblies are fully seated before closing top lever and securing storage box.

# **INSTRUCTION FEEDBACK FORM**

A feedback form has been created for the installer to provide any comments, questions or concerns about the installation instructions. The form is viewable on mobile devices by scanning the QR code or by clicking **HERE** if viewing on a PC.
